Students will enter data for leadership experiences/project work across all courses on this rolling log. Therefore, it is encouraged that an electronic copy is kept for easy access from term to term.

You will need to show that you have completed 80 hours for this course. Please list **each day separately** rather than combined days of time. Then, you will provide a total number of hours for each course and a total for all hours completed in the program. You must show evidence of all hours to graduate.

**Hours for NUR 614 Resilient Nursing Leadership:**

**66 hours of leadership experience hours**

**14 hours of written work (writing up assignments, etc.)**
